

First Day of School Quick Tips - Elementary Students

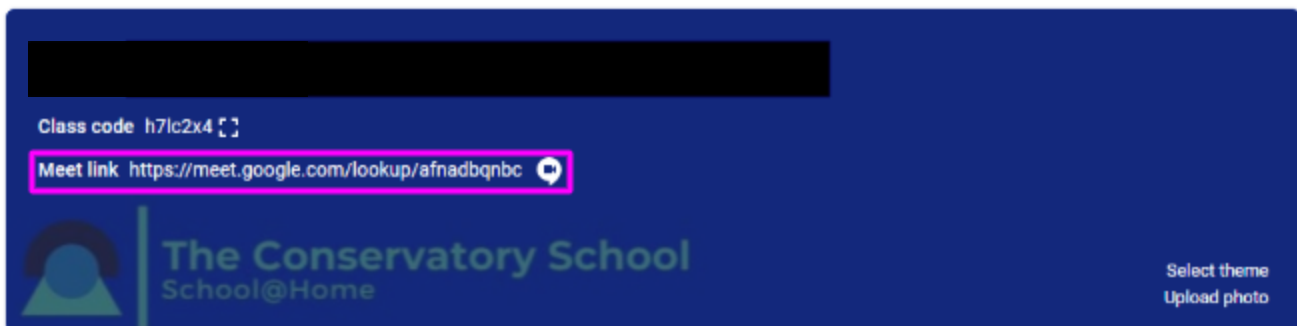

School starts at 8: 45 a.m.!

Students log into their District Portal to get to their Google Classrooms. Once inside their Portal, students click on the Google Classroom icon to find their classes.

Once students click the icon, here are the steps to participate in their class:

- Students must click 'Accept' to become a part of each of their classes, if they have not done so already.
- Morning announcements will begin at 8:45 a.m. Students will find the link to the Morning Announcements on the Stream in Google Classroom.
- After morning announcements, students stay in the Google Classroom. They will click on the Google Meet link to join the live class lesson. You will see where to access the link below in pink.
- For the rest of the day: Students follow their grade level schedule. Students **must** be on the live Google Meet on their Google Classroom at the times in **bold**. The times are on the left side of the student schedule.

The school day ends at 3:05 p.m.
